Rc.No.C1/Plng/1032856/2026, **Date.07-10-2026.**

Sub:- TGTWREIS - Hyderabad - Ensuring hygienic food, sanitation, water safety, health, student well-being and proper supervision - Certain instructions to the Principals and Regional Coordinators - Issued.

******

All the Principals of TGTWRE Institutions are hereby instructed to take **immediate and necessary measures** to ensure the health, safety, hygiene and overall well-being of the students in their respective institutions. The following instructions shall be implemented strictly and without fail:

1) Ensure preparation and serving of hygienic and nutritious food to the students. The kitchen, cooking utensils, storage areas and dining premises shall be maintained in a clean and hygienic condition at all times.
2) All precautionary measures shall be taken to prevent food contamination and food poisoning. The quality and freshness of **food items, proper storage, cooking practices and serving conditions** shall be checked regularly by the Principal and concerned staff duly following the guidelines communicated in SOP (Standard Operating procedures).
3) Garbage and food waste shall be collected and disposed of properly on a daily basis. No accumulation of garbage shall be permitted within or around the institution premises.
4) Safe and potable drinking water shall be ensured at all times. The RO system shall be checked periodically and any water safety issues shall be addressed immediately.
5) Over Head Service Reservoirs (OHSRs) and other water storage tanks shall be cleaned and disinfected periodically as per prescribed norms, and proper records of such cleaning shall be maintained.

6) All **furniture items** shall be inspected regularly and periodical repairs shall be undertaken promptly. Minor civil works, wherever required, shall also be attended to immediately to ensure a safe and conducive environment for the students.

7) Sweeping and sanitation services shall be ensured regularly through the concerned agency. The Principal concerned shall monitor the quality of sanitation services on a daily basis.

8) The students who are experiencing stress, anxiety or other difficulties in view of the ensuing examinations shall be identified. Appropriate **emotional and mental well-being sessions** shall be arranged/ conducted in coordination with the concerned District authorities and **Dr. Swathi, Health Command Centre (HCC)**, from time to time.

9) The Principals shall approach the concerned **District Medical & Health Department authorities** and coordinate for conducting periodic health camps/medical check-ups for the students.

10) The health status of students shall be monitored regularly. Information relating to sick students shall be **updated daily in the Health Monitoring Mobile Application** without fail.

11) The PETs/PDs shall attend their duties during breakfast, lunch, snacks and dinner every day and ensure proper discipline, orderly movement and appropriate behavior of students during meal timings.

12) The Principal concerned shall personally monitor the implementation of the above instructions and shall ensure that all deficiencies are immediately rectified. No lapse relating to food, sanitation, water safety, health or student well-being shall be ignored.

All the Regional Coordinators shall conduct regular inspections/reviews and ensure that the above instructions are implemented strictly in all the institutions under their jurisdiction. Any deficiencies noticed shall be brought to the notice of the Secretary, TGTWREIS immediately.

The above instructions shall be treated as "MOST IMPORTANT" and shall be complied with scrupulously. Any negligence or failure in implementation of these instructions will be viewed seriously and appropriate action shall be initiated against the concerned defaulters as per the rules in force.
